Success .....	\$ 5.00 per 100
Large, oval, uniform, well filled, good bearer.	
Western Schley .....	\$ 5.00 per 100
Large, oval, uniform, well filled, good bearer.	
Eastern Schley .....	\$10.00 per 100
Worlds greatest Pecan for size and kernel.	
Oklahoma .....	\$ 7.00 per 100
Large, oval, well filled, fine bearer, uniform.	
Williamson .....	\$ 7.00 per 100
Large, long, well filled, fine bearer, uniform.	

# Buds Adapted to Oklahoma

A very careful study of the above named varieties has been made, from every angle and for climatic conditions in Oklahoma and Texas, we know of none better or as good.

For commercial purposes, size, kernel, per cent, uniformity, flavor and good producers, we could not afford to make a change.

The last two named, Oklahoma and Williamson, are native to Oklahoma. The Mother Trees near Ardmore, and owing to their being acclimated, they should soon lead all others not native to Oklahoma.

All trees in our grove are tagged with Aluminum plates, in order to eliminate any possibility of sending out any "not true to name" buds.

The greatest care and cultivation has been given this Grove, for the purpose of producing the best possible growth, which means thrifty buds.

We are listed at A. & M. College of Oklahoma, as a State Demonstration Project, hence the name Demonstration Grove.

All orders with remittance, will be filed as received and filled in regular order as filed when buds are mature and ready.

Purchaser will be notified in advance of shipment, so as to be ready to place buds when they are received.

Orders for less than 100 of any variety, double the list price will be charged.

We welcome any one interested in Pecan Culture, to visit Ardmore to see what we have and what you can do in the work.

All correspondence should be addressed to—

C. E. RINGER, Manager,  
804 Carter Street,  
Ardmore, Oklahoma
